

## **HighPoint Solutions Announces New Healthcare Executive**

**October 3, 2011 – East Norriton, PA.** HighPoint Solutions (HighPoint), a premier provider of specialized management and IT services dedicated to the life sciences and healthcare industries, announced the hiring of Barry Volin as Senior Vice President of Healthcare. Mr. Volin is a managed care executive with over 30 years of experience in the healthcare industry. He will be responsible for growing a healthcare group that provides solutions for care management, claims/revenue cycle management, portals and dashboards, HIPAA 5010 and ICD-10, business intelligence, and master data management.

"We're pleased to welcome Barry to run our fast growing healthcare business," said John Seitz, CEO of HighPoint. "Barry's a recognized leader in the market and will augment our existing breadth and depth of healthcare talent."

Mr. Volin brings an extensive background in strategy, compliance, operations, and process improvement to HighPoint's healthcare clients. Most recently, he was Chief Operations Officer at Health Plus, where he introduced a Medicare Advantage product and a Medicare Special Need Plan program. Barry also served as President of Aveta and Chief Operating Officer of Elderplan, following a distinguished career in managed care consulting with PricewaterhouseCoopers and Ernst & Young. His academic credentials include a Bachelor of Arts and a Master of Public Administration in Healthcare from Long Island University.
